

## LHS Auditorium Chair Nameplates Fundraiser

Looking for that perfect student gift? The Auditorium at Lakewood High School is completely remodeled and it is a beautiful facility. The project included the installation of new, comfortable seats; the arms of which will display engraved name plates.

If you make a donation of \$110 to Lakewood High School, we will thank you by arranging for an appropriate family name to be engraved on one of the school's nameplates. (Ten dollars will be used to cover the plate and engraving costs. The rest will count as a tax-deductible donation to Lakewood High School). You may use a family name, students' name and graduation year. Ex: "Joe Green, Class of 1968", "Mr. and Mrs. Joseph Green", "The Joseph Green Family", "Joe Green, 2002".

Don't miss this opportunity to claim a tax deduction, to promote music and the performing arts in education, and to leave a lasting legacy for your son/daughter at Lakewood High School!

Please make checks payable to: Lakewood H.S.

Contributions and this completed donation form should be mailed to:

Lakewood High School
